If you have any questions – please let me know – I am very happy to help.

Due to ever increasing diesel and travel costs I have to add a charge for more distant wedding and engagement locations. I do not charge for my time whilst travelling – but I have to make a charge to cover diesel overnight accommodation (where necessary). I try and stay with family and friends where possible, but occasionally I have to resort to a Bed and Breakfast. It all depends on where you are planning your wedding.

Please note, the prices shown above ...

1. Include wedding venues within around **50** driving miles of my postcode (WV9 5BN). Using www.rac.co.uk route planner to confirm mileage. I am very happy to travel to more distant venues, but I need to create a bespoke quotation for your day to include travel and any accommodation requirements. If you would like me to do this for you, please ask, it is free and there is no obligation.
2. If you wish for an engagement session (lasting around an hour; your photographs will be provided to you both on a DVD and on a private web gallery for you to print and share (if you wish)) please add **£105** (valid for locations within around **50** driving miles of my postcode)
3. Bellissimo Perfetto albums include 15 layouts (30 pages).
4. Memento Parents' Albums and the Mini-albums contain identical layouts to the main Perfetto album.
5. The USB Flash Drive should be readable by most Windows and Mac compatible devices.
6. Include delivery of the finished Portfolio to a UK mainland address of your choice.
7. Shipping of Portfolio to an International Address will be charged at the rate charged by the carrier at the time of shipping.

Please note - You **do not** have copyright of your photographs – you **do** have a licence to make as many copies/prints for yourself and your family and friends as you wish. If you wish for the actual copyright of the images for your day – please contact me for a quotation. All images are provided free of any copyright icons.

I appreciate that in these difficult financial times budgeting for a wedding can be a challenge. If you would like to spread out the payments for your wedding photography on a monthly basis up to your wedding date then please let me know. (There is no fee or interest charge for doing this).
